## BUILDERS & DEVELOPERS WHY MARKET WITH US?

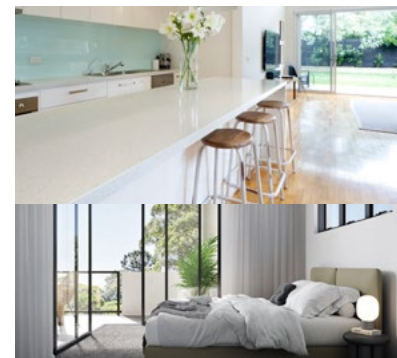

Property Brokers (Aust) is a licenced real estate agency with a team of experienced professionals focused on successful outcomes for vendors and buyers alike. Our combined database is significant and allows for the best representation of your properties and developments

Principal, Lenard Oberman's success in Real Estate is due in part to his previous successful business interests over many years that have been product, client and service focused. Lenard has remarkable marketing and negotiating skills that have been instrumental in the success of Property Brokers (Aust). His personal credo is, success without endeavour, integrity and authenticity is temporary. Lenard is a private pilot, musician and member of the Rolls Royce Owners club of Qld.

Sales Agent, Felicity Agius comes with numerous years of experience within the real estate industry. Having worked as a senior paralegal for some of Queensland's leading conveyancing specialists Felicity's property legislation knowledge surpasses her role within our company. She moves buyers and vendors through the sales process with ease and takes pride in the relationships she builds along the way.

Sales Agent, Ellyse Gosling has worked amongst Brisbane's top real estate agencies and Interstate Marketers, she is at the forefront in her area of expertise which keeps Property Brokers (Aust) digital marketing ahead of its competitors.

Property Brokers (Aust) has an enviable record of satisfied buyers and sellers alike, it will be our pleasure to have you join a growing number of Builders and Developers who allow us to represent their developments and properties.
